ABSTRACT

This directory lists academic institutions, State offices of alcohol and drug abuse, and national organizations which offer drug, alcohol, and employee assistance program (EAP) educational resources. A matrix format is used. Entries include name, address, telephone number, and contact person. A dot appears directly under column headings which are relevant to each specific academic institution, State office, or national organization. There are five sets of column headings: (1) offering type, reflecting predominant topic of the courses, workshops or training sessions, either EAP or drug/alcohol abuse; (2) program type, including graduate degree, undergraduate degree, associate degree, continuing education credits, and institutes, workshops, and training sessions; (3) prerequisites, if any; (4) topic of offering, including these topic areas: prevention, assessment, intervention, treatment, addiction, program development, management, evaluation, policy, EAP, practicum, society, and others; and (5) special issues covered either separately or within one of the topic areas, concerning family, youth, women, men, driving while intoxicated, Acquired Immune Deficiency Syndrome, gay/lesbian, employee, criminal, minorities, and Children of Alcoholics.
